PayLess SP

Company Profile

www.paylesssp.com

Company Overview

PayLess SP is a Bangladesh-based sourcing, buying, and quality assurance partner helping global buyers source quality products across Asia.

Services

Product sourcing, factory identification, supplier evaluation, quality assurance, production follow-up, and shipment coordination.

Product Categories

Apparel, footwear, bags, luggage, home textiles, towels, toys, pet products, household items, ceramics, and sustainable products.

Sustainable Products

Jute, cotton, seagrass, water hyacinth, bamboo, recycled and eco-friendly product solutions.

Sourcing Process

Requirement analysis, supplier selection, sample approval, production monitoring, inspection, and shipment.

Quality Assurance

Inline inspections, final inspections, production monitoring, and compliance-focused sourcing.

Global Reach

Supporting importers, retailers, wholesalers, and sourcing managers worldwide.
